AT-LARGE

3/12/68

For immediate release:

The long-awaited report by the President's Commission on Civil Disorder has been released. Many problems, needs, and recommendations are spelled out and the challenge is made to all levels of government, national, state and local.

This coupled with an increasing number of inquiries from local citizens on "What are we doing about all this here?" leads me to propose that the Council take the initiative to invite Mayor Zeis and the Mayor's Commission on Human Relations to meet with us to identify our local problems and progress in solving them. What actions are in the works? What actions need to be instituted? What part is the Council to play? How?

MORE

Add one

Bits and pieces of plans come my way, as I presume they do to the rest of you, e.g. the exciting training and employment plans with industry and labor with which the Mayor's Commission is involved, the work of the Committee of Eleven (11), made up of representatives from all recreation agencies, including our fine Park Dept., to coordinate, expand, and publicize our wonderful recreational facilities available to all. But what is the whole picture? What are the gaps? And not only are elected officials interested but also our many concerned citizens. Our first step certainly is to inform ourselves, to prepare for concerted, effective action with our fellow citizens.

I move that the City Clerk be requested to write a letter to the Mayor and the President of the Mayor's Commission on Human Relations, Rev. Nерger, to indicate the Council's keen interest in meeting with them soon and regularly to discuss these important matters, and that the Mayor be urged to take the initiative to set up a date for same.

The Council then adjourned.

CERTIFICATE

I hereby certify that I am the duly elected, acting and incumbent City Clerk of the City of Fort Wayne, Indiana and as such the custodian of the records of the Common Council of said city and that the above and foregoing is the true, full and complete record of the proceedings of the Common Council of the City of Fort Wayne, Indiana for its Regular Session, held on Tuesday, the 26th day of March, 1968; that the numbered ordinances ^{+ Res.} shown therein were duly adopted by said Common Council on said date and were presented by me to the Mayor of the City of Fort Wayne and were signed and approved or disapproved by said Mayor as and on the dates shown as to each such ordinance ^{+ Res.} respectively; and that all such records, proceedings ~~and~~ ^{+ Res.} ordinances remain on file and record in my office.
